

Repentance for Free Masonry

I repent and renounce all oaths and curses associated with freemasonry spoken by myself or any member of my family all the way back to Adam and I cancel any plans or assignments of the enemy to bring these curses about. I renounce all secret words and hand signals coming out of freemasonry.

I take responsibility in my generations on both sides of my family tree all the way back to Adam and I renounce spirits of deception, antichrist, idolatry, mental confusion, blasphemy and mockery. I renounce doubt and unbelief. I renounce a spirit of false religion, witchcraft and divination. I renounce the all seeing eye of Horus. I renounce a spirit of death coming out of ritual murder. I renounce falling into the coffin by my family members in my generations. I renounce lust and all sexual spirits from worshipping the male generative organ. (The G in their logo refers to generative power in the male sexual organ.). I renounce the myth of Isis and Osiris.

I renounce divination in my generations in believing that Satan is the creator of the universe and that Jesus did not come in the flesh but in appearance of flesh only. (If the person himself is a Mason, have them repent also.) I repent and renounce idolatry to Satan, known by the following names: the great architect of the universe, Ialdaboth, Balphornet, Jahbalon, Allah, Isis, Osiris, Tubalcain, Dagon, Hiram Abiff. I renounce kissing the Koran by any of my ancestors. I renounce the myth of Hiram Abiff. (Have them repent also if they personally have been a Mason.)

I repent for and renounce all rituals performed in the Freemason organization. In particular, I renounce the cable tow ritual and I take authority over all curses affecting my health coming from that ritual. I repent for and renounce all spiritual blindness associated with the hoodwink ritual. I repent and renounce a belief in reincarnation. I repent and renounce the compass or other sharp object pointed against my chest or against the chest of my ancestors and our hearts, and I ask that any curses coming down from this ritual be broken. I repent for and renounce the rope tied around my waist or the waist of my forefathers and ask that any curses coming down from this ritual be broken.

I repent and renounce all membership in the freemasons by myself or any member of my family. I repent and renounce membership in any related organizations such as Eastern Star, DeMolay, Job's Daughters, Rainbow Girls, Daughters of the Nile.

Father God, I confess the iniquity of my ancestors for their participation in freemasonry (Neh. 9: 13) and ask to be released from the curses coming down to me and my descendants. I ask this in the name of Jesus Christ of Nazareth.
